

Please print out your membership card and carry it with you on all rides. We also suggest that you include contacts to call in case of emergency.

How to print out your membership card.

1. Access and log into your account via membermojo.co.uk and your email or password.

The screenshot shows the 'Your Membership' page on membermojo.co.uk. At the top left is the membermojo logo, and at the top right is a search bar labeled 'member name/email'. Below the search bar is a breadcrumb trail: 'Home / Your Membership'. The main content is divided into two sections: 'Summary' and 'Options'. The 'Summary' section displays: Membership: Under 75, Membership state: Active, Expires on: Wed 31 Jan 2024, Name: [redacted], and Email: [redacted]. The 'Options' section contains four rows, each with a description and a button: 'My Details' (View or edit your membership details) with a 'View or Edit' button; 'Payments' (View your payment history) with a 'View Payments' button; 'Password' (Change or reset your membermojo password and review session activity) with a 'Change Password' button; and 'Membership Card' (View your membership card) with a 'View Card' button. A blue arrow points from the 'View Card' button down to the next step.
